

Rich Fratianne Annual Melting Pot Event

Purpose: In honor of Rich Fratianne and his contributions to the Ohio Chapter and National Office of the American College of Health Care Administrators, the Ohio Chapter will hold an Annual Melting Pot Event which will bring administrators together in a relaxed setting to network and collaborate. Rich Fratianne was well known for encouraging members to take time out in-between and after College-sponsored educational sessions to network and get to know other administrators in an informal setting. It was during these times that you could find out what is going on “behind the scene” and learn what long-term care was really about! It is with this spirit of friendship and camaraderie that this annual event is being created.

Details: The Ohio Chapter of the American College of Health Care Administrators holds educational events around the State of Ohio three to four times each year. In conjunction with one of these educational events, the Rich Fratianne Annual Melting Pot Event will be held. The Melting Pot Event will include social networking events and perhaps outdoor related events for which Rich was very fond. This event will differ from year to year. A memorial fund will be established to help support this annual event initially with additional monies added through individual and vendor sponsorships each year.

Contributions: Tax Deductible Contributions should be made to the ACHCA Academy - Ohio Chapter (for the Rich Fratianne Memorial Fund). The ACHCA Academy is a 501c3 non-profit organization. Mailing address: Ohio Chapter ACHCA, c/o Montgomery Care Center, 7777 Cooper Road, Cincinnati, Ohio 45242.
